Call for Paper 2014

The *Fundamental Journals (FJ)* is a multidisciplinary peer-reviewed *Open Access Journal* that is published **Quarterly**. *Fundamental Journals (FJ)* is dedicated to increasing the depth of the subject across disciplines with the ultimate aim of expanding knowledge of the subject. All works published by *Fundamental Journals (FJ)* are under the terms of the *Creative Commons Attribution License*. This permits anyone to copy, distribute, transmit and adapt the work, provided the original work and source is appropriately cited.

The *Fundamental Journals (FJ)* wish to invite all authors, scholars and researchers in all areas of Fundamental Physical sciences such as, Mathematics, Physical sciences, Astronomy, Astrophysics (Theoretical and Experimental), Earth sciences, Earthquakes, Biological sciences, and Health sciences, Engineering, Agricultural sciences, Chemical sciences, Computer science and etc.

The second journal is in the field of Fundamental Psychology and Social Sciences, Abnormal Psychology, Behavioral Psychology, Biopsychology, Counseling, Cross-Cultural Psychology, Education of Exceptional Children, Forensic Psychology, Clinical Psychology, Cognitive Psychology, Health Psychology, I/O Psychology, Human Factors Psychology, Comparative Psychology, Developmental Psychology, Educational Psychology, Personality Psychology, Social Psychology, Sports Psychology, Positive Psychology, Anthropology, Archaeology, Business Administration, Communication, Criminology, Economics, Education, Government, Linguistics, International relations, Political science, Anthropology, Archaeology, Business Administration, Communication, Criminology, Economics, Education, Government, Linguistics, International relations, Political science, International relation, Management, Accounting including to submit their review articles for the December 2013. The reviews and perspectives should be in the author's area of research or specialization.

All submitted articles for **March 2014** Issues will continue to be our most sought after papers. Prospective authors should submit their manuscripts by **Online** submission. All articles will be given prompt peer-review and accepted for publication **within few weeks** from the date of last submission. Guide to authors and other details are available for both journals separately as on our website;

Physical Sciences: <http://fundamentaljournals.org/ijfps/submit.html>
Psychology and Social Sciences: <http://fundamentaljournals.org/ijfpss/submit.html>

Kindly if you need any further information, please do not hesitate to contact us through the following Email address.

Universal Impact Factors 2012

Impact Factor 2012:
0.7894

Impact Factor 2012:
1.0251

International Journal of Fundamental Physical Sciences (IJFPS)

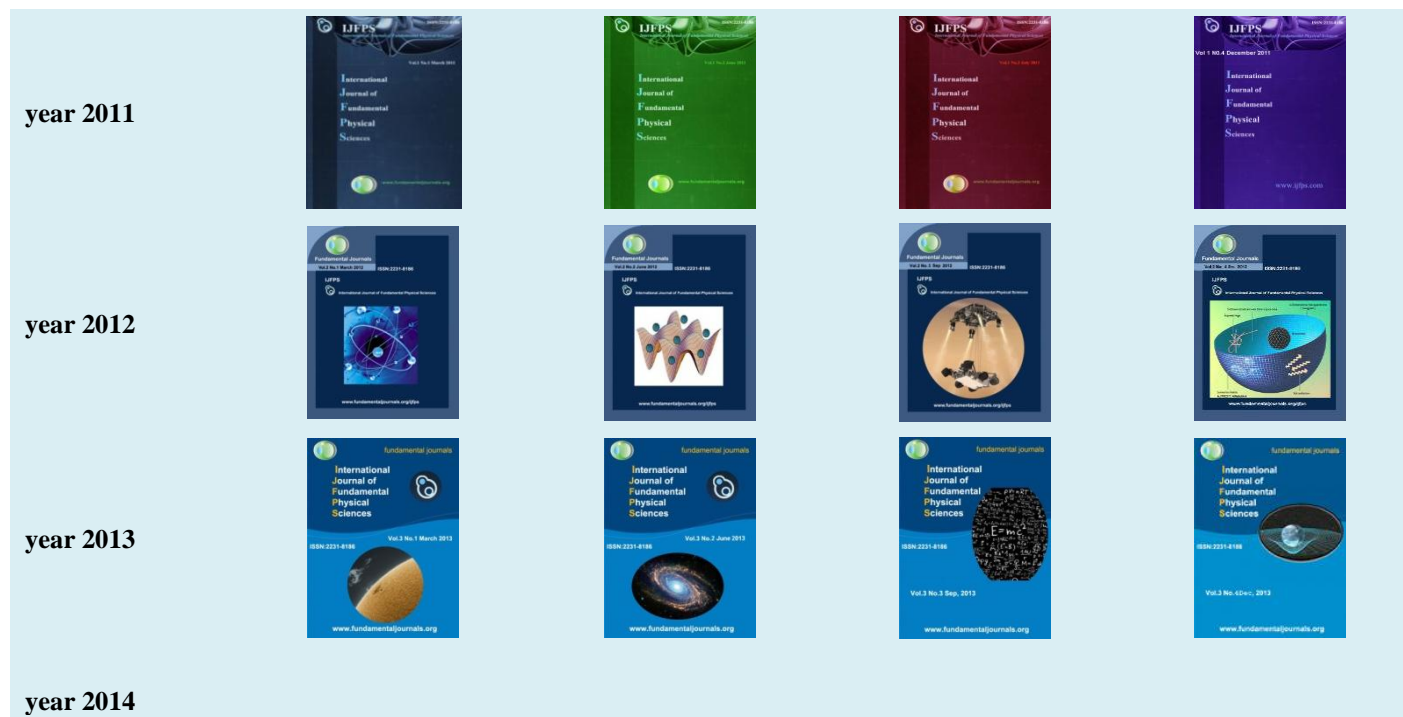

ISSN : 2231-8186

Impact Factor (Universal) : 0.7894

Today most of sciences such as, Mathematics, Physics, Chemistry, Geology and etcetera are approaching to various relationships as well as Psychology, Management and social sciences. This is our pleasure to introduce *Fundamental Journals (FJ)* as an International Publishing Company (IPC) of academic journals and electronic books (eBooks). *FJ* was established in 2010 with two different subjects as *Physical Sciences* and *Psychology, Social Sciences Management* respectively. The *International Journal of Fundamental Physical Sciences (IJFPS)* is an **Open Access (OA)** and multidisciplinary journal.

Scope of IJFPS

The scope of **IJFPS**, covers all areas of fundamental Science such as Mathematics, Physics, Astronomy (theoretical and experimental), Astrophysics, Atmospheric physics, Theoretical Physics, Applied physics, Atomic Physics, Biophysics, Chemistry, Civil, Earthquake, Engineering and Technology, Fuzzy logic, General and Special Relativity, Geology, Geophysics, Gravitation, History of Astronomy, History of Mathematics, History of Physics, History of Sciences, Material sciences, Mathematical Physics, Mechanics, Nuclear Physics, Optics & Lasers, Plasma Physics, Pure Mathematics, Quantum Mechanics, Radiation Physics, Remote sensing and GIS, Solid state physics, Spectroscopy, Thermodynamics and more Chemistry, Geology, Geophysics, Computer, Civil, Remote sensing, Engineering, Information Technology and etc.

Under Creative Commons 'Attribution' license (CC BY)

This license lets others distribute, remix, tweak, and build upon your work, even commercially, as long as they credit you for the original creation. This is the most accommodating of licenses offered.

International Journal of Fundamental Psychology and Social Sciences (IJFPSS)

ISSN : 2231-9484

Impact Factor (Universal) : 1.0251

The *International Journal of Fundamental Psychology and Social Sciences (IJFPSS)* is an **Open Access (OA)** and multidisciplinary journal

Scope of IJFPSS

The scope of **IJFPSS**, covers all areas of fundamental Science in Psychology, and Social Sciences, Abnormal Psychology, Behavioral Psychology, Biopsychology, Counseling, Cross-Cultural Psychology, Education of Exceptional Children, Forensic Psychology, Clinical Psychology, Cognitive Psychology, Health Psychology, I/O Psychology, Human Factors Psychology, Comparative Psychology, Developmental Psychology, Educational Psychology, Personality Psychology, Social Psychology, Sports Psychology, Positive Psychology, Anthropology, Archaeology, Business Administration, Communication, Criminology, Economics, Education, Government, Linguistics, International relations, Political science, Anthropology, Archaeology, Business Administration, Communication, Criminology, Economics, Education, Government, Linguistics, International relations, Political science, International relation, Management, Accounting including, for example, budgeting, internal reporting, incentives, performance evaluation, and the interface between internal and external reporting, Arts and fine arts and more. To encourage the growth of management accounting, it is open to all approaches to research, including but not limited to analytical, archival, case study, conceptual, experimental, and survey methods.

Indexing (IJFPS & IJFPSS)

Fundamental Journals publishing two International Journals quarterly. These journals are indexed by several well-known research centers and thousands universities, International and national libraries all around in the world.

Fundamental Journals are certified, accredited and available freely (Open Access) accessible to millions of researchers through indexing and abstracting services. From 2011, **IJFPS** and **IJFPSS**, have been indexed in several recognized and international abstracting and indexing services as found in the journals' website and as shown below. Here we mention only few of these centers;

EBSCO (USA), DOAJ, CrossRef, CrossMark, DOI Number, SAO/NASA ADS, Georgetown University Lauinger Library, Georgetown University USA, New Jour, Electronic Journals & Newsletters, Know Journals, GetInfo TIB(German National Library of Science AND Technology , WorldCat libraries, WZB Electronic Journals, (Library and Research Information Berlin, Germany, Leibniz-Institute for Psychology Information (ZPID), Germany, SLUB, (Die Sächsische Landesbibliothek–Staats-und Universitätsbibliothek) Wir führen Wissen, Germany, The Saxon State Library - State and University Library, Germany, ZDB - Journals Database, Germany, KIT Library (Karlsruhe Institute of Technology), Germany, University of Heidelberg, Germany, Library System University of Hamburg, Germany, Universitätsbibliothek Leipzig, Germany, VUfind Library, Germany, Kiel University Library, Germany, Saarland University Library, Germany Universitätsbibliothek: Detailansicht EZB, Germany and many more.

In the process of Web of Science and Scopus

fundamental journals

International Journal of Fundamental physical Sciences (IJFPS) (IJFPS) ISSN : 2231-8186 <http://fundamentaljournals.org/ijfps/index.html>
 International Journal of Fundamental Psychology & Social Sciences (IJFPSS) ISSN : 2231-9484 <http://fundamentaljournals.org/ijfpss/index.html>

Activities

- 1- Publishing original research papers in **IJFPS**
- 2- Publishing original research papers in **IJFPSS**
- 3- Publishing electronic books **E-Books**
- 4- Prepare regular books to **E-Books** for *Amazon .com* format.
- 5- Indexing **E-Books** with different international libraries all around in the world.
- 6- Arrange and organizing *International Seminars* and *conferences* in **India, Malaysia, Japan** and **Iran**.
- 7- Publishing **conference proceeding**
- 8- Indexing your scientific documents with famous databases centers as **EBSCO, DOAJ**
- 9- Call for **Government and /or Private organization contracts. Memorandum of Understanding (MOU)**

Aims

1. To bring all young scientist more closely to each other for more scientist relationships.
2. To develop and contribution of knowledge.
3. To introduce work of researchers.
4. To prepare an appropriate ambiance for exchange knowledge
5. To publish research works and activities of young researchers

Future Plans

Publishing a new journal (expecting by 2014) in the field of *Arts and Architecture* as:
International Journal of Fundamental Arts and Architecture (IJFAA)

In case you need any further information, please do not hesitate to contact us through the following Email address. We welcome your participation and cooperation with our activities.
